**Contract Sum**

RM4,366,325

**Contract Period**

Feb 2006 ~ Nov 2006(9 mths)

**Consultants**

CSL Associates (Architect)

Jurutera JRK (C&S)

JARO, a non-profit organization to rehabilitate the disabled, together with renowned architect Jimmy Lim of CSL Associates (recipient of the Aga Khan Award for Architecture 1998) had selected SYS to construct this unique building to showcase the handicrafts and artwork made by the physically and mentally disabled.

This 3-storey Handicraft Centre comprises 2 retail areas, 2 multi-purpose sport centre and a food court for a total of 8,000 sq.m. It is a reinforced concrete structure with steel roof truss and draped in steel metal deck covering.
